

Good afternoon LRDA members,

Here are the propose rule changes and amendments for the upcoming General Membership Meeting
coming up on **10 August 2017, yes August 10, 2017, to be held at the VFW, 1121 Gamble Rd, Little Rock, AR 72211**

1.7 - 1.7.1 - has been revised

4.4.4 - has been revised

4.9.3.a - has been revised

7.2.2 - has been revised

I have included a Ballot sheet for you, at this meeting there will be at least 25 rule changes and amendments that will come up for review. 14 are revised, 10 are new.

As you are looking over the proposed changes from the comfort of your home, use the ballot sheet and circle either YES or Tabled. Bring this ballot sheet with you to the meeting for easy reference.

The "YES's" will be a simple vote for adoption to the rules, while the "Tabled" will be up for further discussion after the review of all proposals. This should make the evening a smooth process, all "Tabled" will be up for discussion after all the proposed changes have been reviewed.

As stated earlier: Some are new, and it essential for you to review, a lot of changes are to **"eliminate"** some confusion and just **"to simplify"** many of the issues encounter this last past season.

We all like to play darts, enjoy each other's company while shooting, and maybe a drink or two. Let's make this upcoming season more enjoyable.

Feedback would be appreciated before the August meeting.

Thanks,
Ron Frechette
